

# B12-Ultra fruit ENERGIZER-2000

B12-Ultra Fruit Energizer-2000™ has brought together the World's most powerful fruits, now combined in an easy to carry, citrus flavored lozenge. Each lozenge is loaded with the power of Goji Berry, Pomegranate, Mangosteen, Acai Berry, Noni Fruit, Camu Camu, Cranberry, and Resveratrol. We have combined that power with the added optimal benefits of Pure B-12, B-6, Folic Acid and Biotin. Goji berry is found to have one of the highest ORAC values of all fruits. Goji berry has 4 polysaccharides that are found in no other food source. They are the Master Hormones in our bodies, and they act to fortify our immune systems and also to stimulate the Pituitary Gland in the anterior of our brain to produce more Human Growth Hormone (HGH). HGH helps to retard aging, and often even reverses some of the effects of aging. Pomegranate may contain almost three times the antioxidant potential as green tea. It is rich in potassium, has vitamins A, C and niacin and is high in fiber. The anti-inflammatory properties of Mangosteen has been well documented. No plant in nature has a higher concentration or variety of xanthones than mangosteen. Acai Berry is considered to be one of nature's most complete and healthy organic foods. The acai berry is loaded with antioxidants, anthocyanins, amino acids, essential omegas, fibers and protein. Camu Camu is packed with more vitamin C than any other food source discovered so far. Noni works on a cellular level and effects nearly every system of the body, it is also rich in antioxidants. Cranberry's suggested health benefits include help with urinary tract infections, Anti-Cancer activity; heart disease, kidney stones and much more. Resveratrol is found largely in the skins of red grapes (wine grapes), and is an ancient remedy used to aid in proper circulation, cardiovascular health and optimizing liver health.

**Suggested Usage:** Take 6 lozenges daily for maximum benefits. For quicker absorption, let desolve under the tongue, or as directed by your qualified healthcare provider.

## Supplement Facts

Serving Size 6 Lozenges  
Servings per Container 20

	Amount Per Serving	% Daily Value
B12 (MethylCobalamin)	1,000 mcg	16,666%
B6 (as Pyridoxine HCl)	5 mg	250%
Folic Acid	400 mcg	100%
Biotin	25 mg	8.3%
Goji Berry Fruit Powder	2,000 mg	*
Ultra Fruit 2000 Complex Blend	3,200 mg	*
<i>Pomegranate Fruit Powder</i>		
<i>Mangosteen Hull Powder</i>		
<i>Acai Berry Fruit Powder</i>		
<i>Noni Fruit Powder</i>
