

# Joint

RELIEF

## EXL2™

Now with even more  
MSM & Chondroitin

*Joints are in a constant state of repair. Joint Relief EXL2™ with its unique blend of glucosamine sulfate, chondroitin sulfate and sea cucumber gives your body necessary ingredients to serve as building blocks. This allows your body to heal in a more natural process and continue the work it was designed to do in rebuilding and repairing vital joint connective tissue. MSM, ginseng, CMO, boswellia serrata, bromelain, white willow bark and turmeric have been shown to have benefits in reducing pain, stiffness and/or inflammation. A reduction in pain, stiffness and inflammation may lead to an increase in mobility and flexibility.*

- *Helps relieve pain and inflammation naturally*
- *Supports joint mobility and flexibility*
- *Supports overall joint health*
