ADVANCED PROSTATE FORMULA

Advanced Power

With Phytosterol Complex and Saw Palmetto for Advanced Power**

ADVANCED PROSTATE FORMULA

Our proprietary blend of saw palmetto, pumpkin seed, stinging nettle, quercetin and other ingredients is a natural way to support prostate health without the side effects of prescription medications. The combination of ingredients may increase your ease in urinary flow as well as an increase in the flow, decrease the frequency of urination, lessen pain during urination and decrease the urge to urinate during the night. Stinging nettle is not only useful for urinary problems during the early stages of an enlarged prostate, but is also useful for the treatment of urinary tract infections and kidney stones. Phytosterols have been shown to help prevent and treat prostate problems. Pygeum Africanum is used to treat bladder and urination disorders. Lycopene, a powerful carotenoid, accumulates in the prostate gland and may help reduce the risk of prostate cancer.

- Supports a healthy prostate
- Supports a healthy urinary system
- Helps improve prostate symptom scores
